This product can expose you to chemicals including vinyl chloride which is known to the state of California to cause cancer. For more information go to [www.P65Warning.ca.gov](http://www.P65Warning.ca.gov). These drop cloths cannot prevent slipping, only reduce it. Use with caution. Not to be used on furniture or lacquer surfaces. To reduce the risk of slipping or tripping, surface must be attached, dry and clean from dirt and/or contaminants that could interfere with the good contact between the surface and the slip-resistant surface of Cover Grip slip-resistant cloth. Make sure surface is level. Always use caution when walking or standing on Cover Grip slip-resistant drop cloths. Excessive heat from work lights or other sources may melt the slip-resistant dotted surface and damage surface it is placed on.
