

TROUBLESHOOTING

Problem

Possible Cause

Possible Solution

• Unit will not start.	• Battery not installed properly. • Battery not charged.	• Check battery installation. • Check battery charging requirements.
• Battery will not charge.	• Battery not inserted into charger. • Charger not plugged in. • Surrounding air temperature too hot or too cold.	• Insert battery into charger until red LED appears. • Plug charger into a working outlet. Refer to "Important Charging Notes" for more details. • Check current at receptacle by plugging in a lamp or other appliance. • Check to see if receptacle is connected to a light switch which turns power off when you turn out the lights. • Move charger and tool to a surrounding air temperature of above 40 degree F(4,5°C) or below 105 degree F (+40,5°C).

For assistance with your product, visit our website www.blackanddecker.com for the location of the service center nearest you or call the BLACK & DECKER help line at 1-800-544-6986.

ACCESSORIES

The performance of your appliance depends on the accessory used. Black & Decker accessories are engineered to high quality standards and are designed to enhance the performance of your appliance.

- Filter accessory number VF200SP.

MAINTENANCE

Use only mild soap and damp cloth to clean the vac. Never let any liquid get inside the vac; never immerse any part of the vac into a liquid.

NOTE: Make sure the vacuum is completely dry before using it.

IMPORTANT: To assure product SAFETY and RELIABILITY, repairs, maintenance and adjustment (other than those listed in this manual) should be performed by authorized service centers or other qualified service organizations, always using identical replacement parts.

THE RBRC™ SEAL

The RBRC™ (Rechargeable Battery Recycling Corporation) Seal on the lithium-ion battery (or battery pack) indicates that the costs to recycle the battery (or battery pack) at the end of its useful life have already been paid by Black & Decker. In some areas, it is illegal to place spent lithium-ion batteries in the trash or municipal solid waste stream and the RBRC program provides an environmentally conscious alternative. RBRC in cooperation with Black & Decker and other battery users, has established programs in the United States and Canada to facilitate the collection of spent lithium-ion batteries. Help protect our environment and conserve natural resources by returning the tool to an authorized Black & Decker service center for recycling. You may also contact your local recycling center for information on where to drop off the spent battery, or call **1-800-8-BATTERY**.

This Class B digital apparatus complies with Canadian ICES-003.

This device complies with part 15 of the FCC rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation.

If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct

the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
 - Increase the separation between the equipment and receiver.
 - Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
 - Consult the dealer or an experienced radio/TV technician for help.
- Changes or modifications to this unit not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment. This Class B digital apparatus complies with Canadian ICES-003.

THREE-YEAR LIMITED GUARANTEE

Black & Decker (U.S.) Inc. guarantees this product to be free from defects in material or workmanship for a period of three (3) years following the date of purchase, provided that the product is used in a home environment. This limited guarantee does not cover failures due to abuse, accidental damage or when repairs have been made or attempted by anyone other than Black & Decker and its Authorized Service Centers. A defective product meeting the guarantee conditions set forth herein will be replaced or repaired at no charge in either of two ways: The first, which will result in exchanges only, is to return the product to the retailer from whom it was purchased (provided that the store is a participating retailer). Returns should be made within the time period of the retailer's policy for exchanges. Proof of purchase may be required. Please check with the retailer for its specific return policy regarding time limits for returns or exchanges. The second option is to take or send the product (prepaid) to a Black & Decker owned or authorized Service Center for repair or replacement at Black & Decker's option. Proof of purchase may be required. Black & Decker owned and authorized service centers are listed online at **www.blackanddecker.com**.

This guarantee does not apply to accessories. This guarantee gives you specific legal rights and you may have other rights which vary from state to state. Should you have any questions, contact the manager of your nearest Black & Decker Service Center. This product is not intended for commercial use, and accordingly, such commercial use of this product will void this guarantee. All other guarantees, express or implied, are hereby disclaimed.

LATIN AMERICA: This guarantee does not apply to products sold in Latin America. For products sold in Latin America, check country specific guarantee information contained in the packaging, call the local company or see the website for such information.
