

Produce the perfect cup of coffee with ease and style with the Heritage Coffee Machine. Vibrant turquoise colour will add a cheerful touch to any kitchen. This coffee maker has six functions including on/off, delay brew, program, hour, minute and strength. It also has an LCD display and a thirty second anti drip feature. The 1.5L glass carafe and funnel are also dishwasher safe for added convenience and there's a matching coffee grinder available. This coffee maker also has a keep warm feature so if one cup isn't enough you can simply pop back and pour yourself another cup! Simple yet sophisticated, our Heritage Microwave features a 20 litre capacity, 700W power, convenient defrost, reheat, cooking functions and digital controls for easy use. Perfectly matches our Heritage Turquoise Kettle and Toaster.
