Paradise

Paradise™

A detailed backdrop conveying subtle motion

36" x 48" x 5/16" | 19 lbs. | 80% Privacy | Black

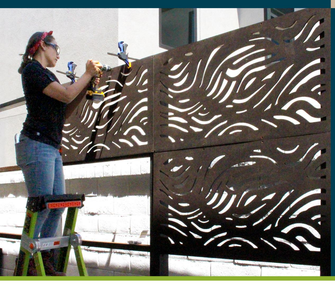
WILDFLOWER combines distinctively shaped petals with geometric swirls to visually offer a sense of cultivated style.

Its 80% privacy rating provides serenity and sophistication to indoor and outdoor spaces.

Uses: Garden fences, indoor decor and dividers, and cladding on planters, storage boxes, and facades

OUTDECO USA
Decorative Modular Panels

- Affordable, architectural-grade panels of 100% authentic, sustainable Australian hardwood
- Can be stained or painted or left untreated to age to a silvery gray color

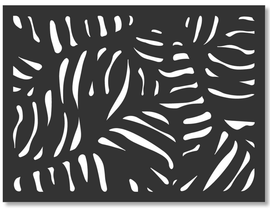


Easy to Install

- Similar to decking timber, easy to cut, drill, miter, and sand
- Installs with standard woodworking tools and methods
- Easily mounts to a hardwood stud frame
- Affixes with typical fasteners such as decking screws, nail gun, and exterior-grade adhesive
- Professional or DIY installation

36" x 48" Standard Panel Series

- Mid-size panels are sturdy and a versatile size
- Installs easily with standard woodworking tools and methods
- Privacy levels range from 80% to 90%.
- Weights range from 17 to 22 lbs. per panel
- Typical project size: 6-12 panels
- 36" and 48" standard structural heights for: Wall and fence art/décor, structure cladding, deck rails, storage boxes, utility and bin enclosures, yard fences, and privacy screens



Some Outdeco patterns have directional characteristics, while others have symmetrical designs. Panels can be installed in any orientation to create unique effects or continuous themes.
