PRODUCT DESCRIPTION

【Heavy Duty Tanning Chair】

The face-down tanning chair is designed to provide maximum comfort and support, and hold people up to 440 lbs. Crafted with a combination of thick 600D Oxford fabric and PU coating, it offers a gentle and breathable surface, ensuring a cozy experience during long lounging sessions.
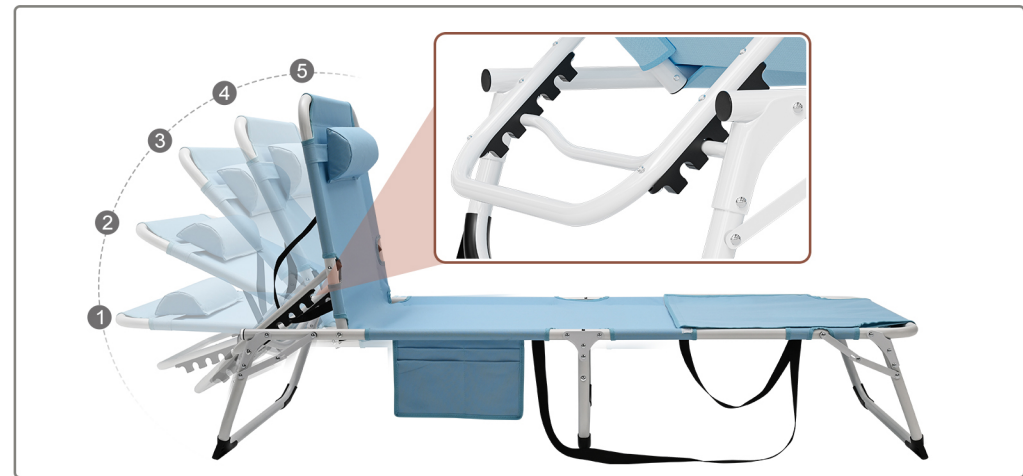

【Tanning Chair with Face and Arm Holes】

The face and arm openings are unique features of this chair. The face area is padded and comfortable, allowing you to tan your face without experiencing any discomfort or pressure. You can choose to keep the hole open or closed as needed.
The armholes make it easy for you to stay entertained with your phone/iPad or read a book. It's a must-have for anyone who enjoys multitasking while laying in the sun.

【Adjustable 5-Position Lounge Chair】

The outdoor lounge chair offers 5 different reclining positions, allowing you to find the perfect angle for your back and legs. You can sit up, recline, or lay flat so you can enjoy sunbathing, tanning, reading, relaxing, or taking a nap.

【Rest Assured Customer Service】

We stand behind our tanning chair and offer a product guarantee and after-service. If you encounter any issues with your outside tanning chair, please let us know, and we'll provide a replacement or refund. Join us for a worry-free sunbathing today!

【Easy to Use & Carry】

Two different ways to carry, a shoulder strap or a handle for easy transportation. It is easy to take the folding lounge chair to the beach, poolside, lawn, patio, balcony, and camping. No tools are required for assembly. Just fold everything out. Please make sure the back bracket snaps into the slot.
