

Limited Warranty

Hyman Inc. warrants the original owner of our products against defects in material and workmanship for a period that ranges from 90 days to one year from the date of original purchase (depending on the product). Each individual product has its own warranty period as stated in the packaging or instructions. Our sole obligation under this warranty is to repair or replace the defective product, which must be returned during the warranty period, to the store where the product was purchased. Return of the product must be accompanied by a dated proof of purchase, such as a photocopy of receipt.

This warranty does not apply if accident or misuse has resulted in damage to the product.

We make no other warranty, expressed or implied, to you or any other person or entity. Specifically, we make no warranty that the product is fit for a particular purpose. Any implied warranty of merchantability is limited to the respective duration and the conditions stated in this Limited Warranty and are otherwise expressly disclaimed.

We will not be liable for special, incidental, consequential, indirect, or other similar damages, even if our agent or we have been advised of the possibility of damages. This means that we are not responsible or liable for damages or costs incurred as a result of loss of time, loss of profits, or loss of use of the product. In addition, we are not responsible or liable for damages or costs incurred in connection with obtaining a substitute product, claims by others, inconvenience, or similar costs. In no event will our liability for any damages to you or any other person ever exceed the price paid for this product regardless of any form of the claim.

Additional statements by our employers, agents, representatives, distributors, dealers, and retailers such as advertisements or presentations, do not constitute warranties by us, do not bind us, nor should these statements be relied upon.
