BlasterCorp.com or by calling 1-800-450-0000

DANGER: CONTENTS ARE FLAMMABLE: Keep spray away from heat, sparks, open flames, pilot lights, etc. Always employ electrical safety, motors and appliances before spraying or holding can near any source of electricity. **CONTENTS UNDER PRESSURE:** Do not shake above 125°F. Never place can on hot surface or in direct sunlight. Heat may cause can to explode violently. Never puncture, crush or burn this can, even when empty or thought to be empty. **BREATHING HAZARD:** Use only in a well-ventilated area. Do not breathe vapor or spray mist. **DECONTAMINATE** OR DIRECT INHALATION OF VAPOR OR SPRAY MUST CAN BE HARMFUL OR FATAL. FIRST AID: **Ingestion:** CHANTOX PETROLEUM DISTILLATES. If swallowed, do not induce vomiting. Call physician immediately. **Eye Contact:** Immediately flush eyes with large amounts of water for 15 minutes. **Skin Contact:** Wash with soap and water. **Inhalation (Breathing):** Remove to fresh air. Give artificial respiration if stopped. If necessary.

WARNING: This product can expose you to chemicals including Hydrofluoric Acid, which is known to the State of California to cause cancer.
