

## **WARRANTY**

The Minka warranty is for one (1) year from the date of purchase from an authorized Minka dealer. This warranty is only valid to the original purchaser or user against all defects in material and workmanship (light bulbs excluded) for one (1) full year. Additionally, Minka warrants the motor only for the lifetime of the Minka ceiling fan (excluding wall controls and electrical components), to the original purchaser or user.

- The warranty is void with the use of any non-Minka electrical devices; e.g., wall controls or electrical dimmer switches, etc.
- The warranty is void once the original purchaser or user ceases to own the fan or the fan is moved from its original point of installation.
- The warranty is void with the use of any hanger bracket (non-Minka or non-fan specific) other than the hanger bracket supplied in the box.
- The warranty is void if installed in an environment other than its intended use (Indoor fans installed outdoors or in a covered outdoor patio area, or subjected to environmental conditions: salt air, humidity, direct sun exposure, etc.). Outdoor finishes are specifically excluded from the terms of this warranty since they are subject to environmental and maintenance damages beyond our control.

## **WARRANTY SERVICE INFORMATION**

To obtain warranty service during the warranty period, the purchaser should return the fan with the original sales receipt to the original place of purchase. Replacement is subject to availability of the same model. This is a limited warranty; the original purchaser or user is responsible for the cost of removal and re-installation of repaired or replacement product. Outdoor finishes are specifically excluded from the terms of this warranty since they are subject to environmental and maintenance damages beyond our control.

Fan warranty registration should be mailed as addressed on the warranty card.
