1 PC

C

4 PC

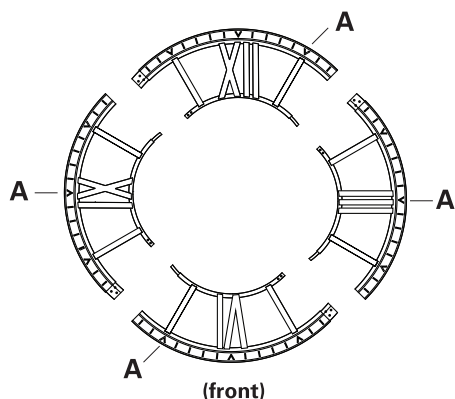

D

28 PC

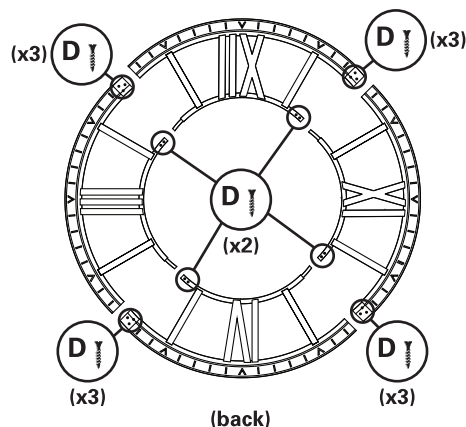

STEP 1

Lay out all quadrants (A) in their correct positions on the floor to create a circle.
(XII at the top. III at the right.
VI at the bottom. IX at the left.)

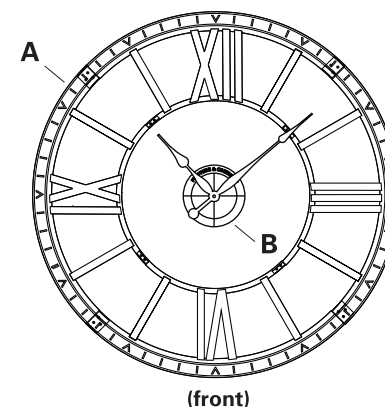

STEP 2

Flip quadrants (A) to the back side.
Attach quadrants to each other from the back.

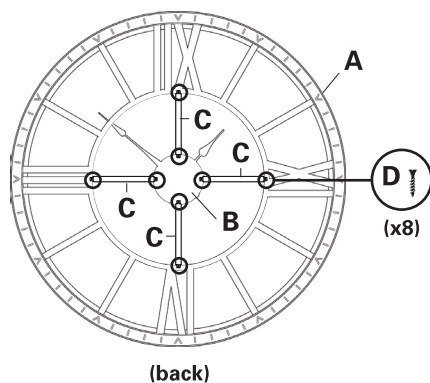

STEP 3

Flip ring (A) to the front side.
Lay center movement (B) in the center of the ring (A). Be sure the hands are placed in front of the clock before continuing.

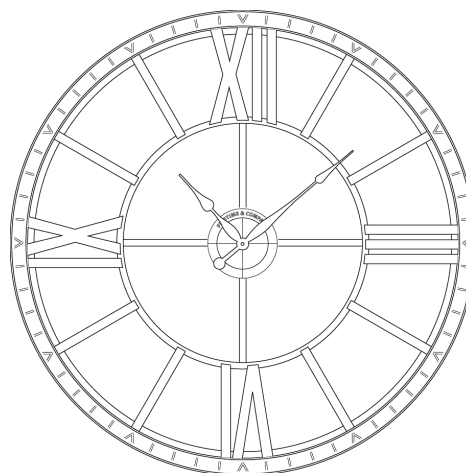

STEP 4

Flip ring (A) and center (B) to the back side.
Using the 4 center spokes (C), attach the center movement to the ring from the back.

FULLY ASSEMBLED

To activate your clock, insert one "AA" battery (not included) as indicated by the symbols on the battery case.

To set time, move dial on rear of clock in either a clockwise or counterclockwise direction until the hands indicate the correct time.
