

Assembly Instructions

Caution: You must read this before you proceed

Care & Maintenance

- Not for commercial use. For residential use only.

- Do not put hot items directly on furniture surface.

- Do not clean furniture with harsh cleansers or polish.

- To obtain the longest lifespan of your outdoor products, minimizing exposure to direct sunlight is recommended.

- Children should not climb or jump on the furniture.

- Do not write on furniture without a padded barrier to protect the surface.

- To obtain the longest lifespan of your outdoor products, avoid extended and lengthy exposure to rain, snow, and direct sunshine. Whenever possible cover the product and /or place under patio or awnings.

- Stains may be removed with mild soap solution and damp cloth.

- Keep away from sources of ignition.

- Dust and pick-up spills using a clean, non-colored, lint- free cloth.

Please look under the Seat Panel for hardware packs.
Sets often ship in multiple boxes and may arrive a day or two apart.

⑦		x1

- Read instructions, cover to cover-

- Have 2 adults on hand for assembly-

- Do not assemble on flooring or carpet-

- Assemble on a clean non-marring surface (packing foam)-

- Save all packaging until finished-

Assembly Steps

Overview

This Barstool has multiple parts and may require up to some 30 minutes to assemble. To give you an overview of the Barstool parts, the above picture is to help you put the various parts into perspective. Please read through the instructions below to familiarise yourself with the parts and steps before assembly.

Step 1:

Unpack and place all parts on a clean, non-marring surface.

Step 2:

With assistance from your adult partner, connect Seat frame (B) to Back frame (A) using the bolt (1), Lock washer (4), Flat washer (5), with Allen Wrench (7)

Note: Do not fully tighten the Screws.

Step 3:

Match the sticker on the bottom of the Back frame (A) with the sticker on the corner block of the Seat frame (B).

Then secure the Seat frame (B) using the Bolt (3), Lock Washer (4) & Flat Washer (5) with Allen Wrench (7).

Note: Do not fully tighten the Screws.

Step 4:

Next, attach the Front Legs (C) & (D) to the Seat frame (B) using the Bolt (2), Lock Washer (4) & Flat Washer (5) with Allen Wrench (7).

Note: Do not fully tighten the Screws.

Step 5:

Now, connect Front Footrest (F) and Side Stretchers (E) using screw (6). If you are having trouble getting the screws to catch, it is recommended to carefully use an electric screwdriver or drill with necessary bit for this step.

Note: Do not fully tighten the Screws.

Issues with stretchers aligning at an angle?

If the stretchers are set at an angle when you are aligning them with their respective holes on the front & back legs, **you have likely assembled the front legs incorrectly.**

Re-check to confirm that the proper legs are installed in their intended position on the proper side of the stool.

The front legs are not interchangeable; therefore they may need to be rotated and swapped to the opposite side.

Step 6:

Turn the Barstool right side up. Inspect the Barstool and make sure all parts are adequately connected. joints. In a sequential manner, tighten all Bolts and Screws at all joints.
