Rigid Vinyl Plank	Above Grade / On Grade / Below Grade	Uniclic Click Lock

CARE AND CLEANING

Preventative Maintenance

- Chair casters should be rubber – not plastic or metal – and should be kept clean.
- Place walk-off mats at entrances. Mats should have a non-rubberized backing and be marked as non-staining.
- We recommend the use of a hard surface (*non-studded*), non-rubber chair mat to protect your floor from office chairs with casters. Light, rolling furniture should be outfitted with broad-surface, non-staining casters that have been engineered for hard surface floors. Such casters should be a minimum of 1" (2.5cm) wide and at least 2" (5.1cm) in diameter.
- Keep pets' nails trimmed.
- Remove shoes with cleats, spikes or exceptionally pointy heels before walking on the floor.

Cleaning & Maintenance

- Sweep the floor regularly with a soft bristle broom to remove loose dirt.
- Wash the floor with non-abrasive, neutral PH floor cleaner approved for vinyl floors.
- For every day cleaning, a mop moistened with warm water will suffice.

Do Not Use the Following on Mohawk Rigid Vinyl Plank flooring

- Detergent based cleaners
- Abrasive or mop and shine products
- Ammonia
- Vacuum cleaner with a rotating beater bar engaged

NOTE: Always read the cautionary information on all cleaners prior to use.

IMPORTANT: Never push, pull or drag furniture, appliances or other items across the floor. When moving furniture or heavy items, always lift and carry the items.
