Let's illuminate what your Wire-Free Smart Switch + Smart Bulb can do together

- 1 Turn on all the lights in a room with one touch.**
Go to the **CYNC App**. Add the Smart Bulb and Wire-Free Smart Switch to the same room. Toggle the room on/off with the app.
- 2 Schedule your lights to turn on when you come home.**
Go to the **CYNC App**. Create a scene with your smart light turned on. Enable the schedule to activate the scene at specific days and times.
- 3 Set the mood for movie night.**
Go to the **CYNC App**. Build a new Scene with the Smart Bulb customized to create the perfect lighting mood.
