Star Anais

Star Anais

A striking, elegant geometric pattern

24" x 48" x 5/16" | 14 lbs. | 80% Privacy | Brown

STAR ANAIS reflects 1960's-style modernism with influences of Japan, India, and Morocco. Its design is well suited to vibrant finishes and looks spectacular with backlighting.

With a 90%+ privacy level, Star Anais is a unique alternative to slatted high-privacy fencing.

Uses: Garden fences and cladding on planters, storage boxes, utility enclosures, retainers, and facades

OUTDECO USA Decorative Modular Panels

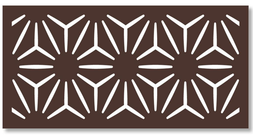
- Affordable, architectural-grade panels of 100% authentic, sustainable Australian hardwood
- Can be stained or painted or left untreated to age to a silvery gray color

Easy to Install

- Similar to decking timber, easy to cut, drill, miter, and sand
- Installs with standard woodworking tools and methods
- Easily mounts to a hardwood stud frame
- Attachment options: wood screws, decking screws, nail gun, or exterior-grade adhesive
- Professional or DIY installation

24" x 48" Standard Panel Series

- Our most versatile format
- Installs easily with standard woodworking tools and methods
- Typical project size: 12-24 panels
- 24" and 48" standard structural heights for: Retainer cladding, planter boxes, bench seats, yard fences, deck rails, utility and bin enclosures, fence extensions, privacy screens



Some Outdeco patterns have directional characteristics, while others have symmetrical designs. Panels can be installed in any orientation to create unique effects or continuous themes.
