WICHTIG. Der Aufbau des Möbels muss zwingend nach Aufbauanleitung und durch eine fachkundige Person erfolgen. Sämtliche Elektro- und Sanitärinstallationen sind ausschließlich von autorisiertem Fachpersonal durchzuführen.

Um zu verhindern, dass ein Möbel umkippt, muss es fest an der Wand verankert werden. Eine fehlerhafte Montage bzw. fehlende Wandbefestigung kann zu Funktionsbeeinträchtigungen, Beschädigungen und/oder schweren Verletzungen führen.

Wegen der großen Vielfalt an Wänden und Wandmaterialien haben wir kein Befestigungsmaterial beigelegt. Bitte erkundigen Sie sich im Fachhandel nach geeignetem Befestigungsmaterial entsprechend Ihren baulichen Gegebenheiten. Sie sind für die Befestigung am Mauerwerk und den dort eingesetzten Materialien selbst verantwortlich.

Halten Sie die in der Montageanleitung angegebenen maximalen Gewichtsangaben ein. Beschlagbeutel, Beschlagteile und Verpackungsmaterial sind von Säuglingen und Kindern fernzuhalten, da verschluckbare Kleinteile enthalten sind und Erstickungsgefahr droht.

Werden Bedienungs-, Betriebs- oder Montageanweisungen nicht befolgt, Bauteile ausgewechselt, Änderungen an den Produkten vorgenommen oder Verbrauchsmaterialien verwendet, die nicht den Originalteilen entsprechen, so entfallen jegliche Haftungsansprüche und Gewährleistung. GERMANIA haftet nicht für Personen- oder Sachschäden, die auf eine unsachgemäße Montage bzw. nicht erfolgte Wandbefestigung zurückzuführen sind. Bei Überlastungen, die durch Menschen, spielende Kinder oder sonstige Einwirkungen entstehen, übernehmen wir als Hersteller keine Haftung.

IMPORTANT. It is imperative that the furniture be installed according to instructions by someone properly qualified to complete the task. Installation of electrical or plumbing fixtures should only be performed by trained professionals.

The furniture must be anchored to the wall to prevent it from tipping over. Improper installation or failure to use wall fasteners can prevent the item from functioning properly and may cause damage and/or severe injury.

Wall fasteners are not included because of the large variety of walls and wall materials. Please ask a specialized dealer for wall fasteners appropriate to your specific needs. You are responsible for anchoring the items to the wall and for the materials used for that purpose.

Please observe the maximum load capacity as specified in the assembly instructions. Keep the bag containing the fittings, the fittings themselves and other packaging material out of reach of babies and children. The small parts can be swallowed and therefore pose a choking hazard.

Failure to follow handling, operation or assembly instructions, exchanging components, making changes to the product or using materials which differ from the original parts will result in voiding all liability claims and warranties. GERMANIA accepts no liability for personal or material damage due to improper installation or failure to properly anchor the item to the wall. We assume no liability as manufacturer for excessive loads placed on a unit by individuals, playing children or other causes.
