Assembled View

IMPORTANT:

Supply Lines may be cut down, please make sure to cut the end without the notch in the supply line. Because of the many variables, we recommend you consult your plumbing professional for proper connection to your water supply.

NOTE:

Supply Line Shutoff Valves are available and can be ordered separately. Please contact your dealer to purchase the shutoff valves in your matching metal finish.
Part #F5910-XX (XX=your finish)
