

Song of India Dracaena

Sunlight

Indoor: Bright to medium indirect light
Outdoor: Can handle minimal direct sun

Water

Let top 2 inches dry out between waterings. Do not let plant sit in water.

Pet Friendly

Can be mildly toxic if ingested

Mature Size

Height: 3 - 6'
Width: 18"
In ground grows to 18'

Air Purification

Excellent – removes multiple airborne toxins

Plant Hardiness

Outdoor: Zones 10b-12
Indoor: ANY ZONE

Indoor Care Tips

Use all purpose soil mixture in a well draining pot. Re-pot in Spring if root bound.

Outdoor Care Tips

- Plant in well-draining area; in-ground or a planter
- Bring indoors when temp goes below 50° F

Expert Advice

- Loves humidity
- Relatively pest resistant
