1. Before your installation, measure the distance A of bracket, and drill holes in the marked positions by using a suitable tool.

2. Insert the wall plugs on the surface of the wall. After that, fasten the supplied screws into wall plugs.

3. Directly hang the mirror on the bracket.

4. Hang the mirror on the bracket, peel off protective film. It is recommended that the product is cleaned with a soft, dry, non abrasive cloth. Do NOT use cleaning agents or abrasive materials on any type of finished surface.
