

The image shows a close-up of several large, rectangular stone planks arranged in a staggered pattern. The planks have a complex, organic texture with a mix of light beige, tan, and greyish-blue tones. The surface appears slightly matte or honed, with some darker, more crystalline areas interspersed among the lighter, more porous-looking sections. The veins and patterns are irregular and natural-looking.

TRAVERTINE VEINCUT™

Travertine Filled & Honed

Featured in a contemporary silver color, the attractive Travertine Veincut™ plank series is offered in one size with a subtle honed finish.
