

ASSEMBLY INSTRUCTIONS

① x1

② x1

③ x2

④ x1

⑤ x1

1

STEP1
Unwrap and unfold the massage bed and take out the parts inside.

7

STEP7

The angle of Parts 2 is adjustable. Note: Please don't adjust it unduly or violently. Release the side fastener of Part 2 before adjusting.

8

STEP8

The tail of Parts 1 can be raised up and stop at 10 heights if needed. To adjust the tail, open the metal clamp, lift up the end part and stop it at the desired height.

2

③ x2

STEP2

Pull out the metal bars at the bottom of Parts 3 (armrest) and set them at a right angle to the armrest.

3

③ x2

STEP3
Insert the metal bars into the two side holes near the front of the massage bed.

4

② x1

STEP4

Unfold and fix the bars of Parts 2. Insert them into the two holes at the front of the massage bed.

5

⑤ x1

STEP5

Thread the straps of Parts 5 through the middle bar of Parts 2, then fasten and adjust the straps until level.

6

④ x1

STEP6

Assemble Parts 4 to Parts 2 with hook and loop fasteners attached.
