

CARE INSTRUCTIONS

Fabric Cover: Machine wash in cold water and air dry.

Foam Insert: Do not wash, spot clean only.

All of our fabrics are upholstery grade and are made in the USA. The covers zip off and are 100% machine washable. The inside seams are serged to help with fraying, but to ensure your cover lasts it is best to wash on the delicate cycle and let it air dry.

All of our fabrics are made by Sunbrella, and true to its reputation, Sunbrella stands up to whatever you can throw at it (or on it). It's easy to clean, refuses to fade, and resists mold, mildew, and moisture. This beloved and trusted fabric maintains a soft hand even with its hardworking properties.

Removable Cover

The durable fabric cover is easy to remove and with serged inter-locking seams it is machine washable.

Eco-Friendly

All of our beds are handcrafted using non-toxic materials that are safe for your home and everyone in it.

Performance Fabric

Our beds are made using Sunbrella fabrics making them odor, stain, and liquid resistant.

Comfy Cozy

Soft fabrics and overstuffed polyester filling engineered to not clump or flatten over time.

Made in the USA

All of our beds are handmade to order right here in the peach state, Georgia.
