

Compact Green Cross-Line Laser Level with Plumb Spot

The Klein Tools Compact Cross Green Laser Level with Plumb Spot is perfect for precise alignment tasks. Its cut-out design allows easy positioning over metal tracks or 2 x 4's, ideal for construction. Bright green laser lines and a self-leveling pendulum ensure accuracy, while the green plumb spot adds versatility. Built tough with a magnetic bracket, it resists water and dust, making it reliable for demanding job sites.
