

INSTRUCTIONS

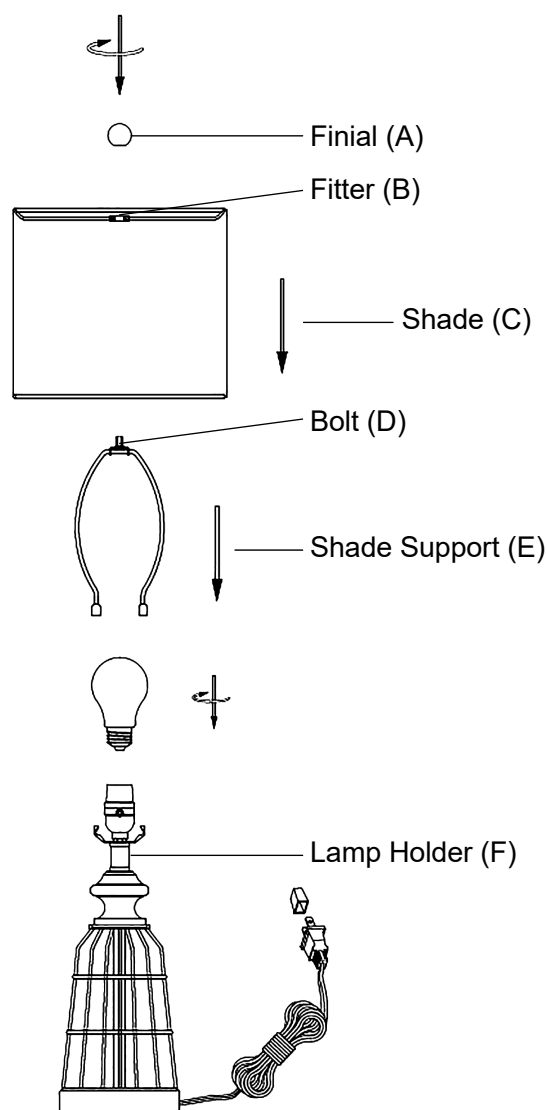

⚠ WARNING!

Read these instructions carefully prior to installation.

- **DO NOT** use with bulbs exceeding the recommended wattage.
- Exercise care if using an incandescent bulb to avoid the risk of burns or fire.
- **DO NOT** change any bulb while it is still hot.

ASSEMBLY

1. Place the lamp holder (F) on a stable and level surface.
2. Install your bulb into its socket. This fixture has been rated for one E26 bulb (not included) up to 60W.
3. Fit the shade support (E) onto the lamp holder.
4. Mount the shade (C) on the shade support, allowing the bolt (D) on the top of the support to pass through the fitter (B). Secure the shade by attaching the finial (A) to the bolt and screwing it into place.
5. Plug the lamp in, turn it on, and enjoy!
