

# Portable AC

Get relief from hot, muggy days with a portable air conditioner. KingHome's selection of portable air conditioners is a great choice to cool and dehumidify any room where a window ac is not possible. Use a portable AC to cool any hot spot or cut back using your central unit by only cooling the room you use the most. Since it is portable, moving it from the living room during the day to the bedroom at night won't be a problem. Easy to set up and operate just roll into place, vent through a window using the included kit, plug in, then turn on. Ahh, that's better!
