**8269**  
**MLM-03B**

Gently water your plants with our Micro Sprays by simply threading them into any of these products:

**Stake Assemblies**  
MLS-211, MLS-BLA,  
MLS-TAN

**Mister Riser**  
MLS-231

**Stake Extension**  
MLS-22

With a water pressure of 40 PSI you can run up to 300 feet of 1/2" Poly, and install up to 50 Micro Sprays. We suggest using our 50 PSI Pressure Regulator (MLA-58).  
Con una presión de agua de 40 PSI, puede tender hasta 300 pies (91.44 m) de tubería de poli de 1/2" (1.3 cm) e instalar hasta 50 microaspersores. Sugerimos usar nuestro regulador de presión de 50 PSI (MLA-58).
