

VARIABLE SPEED HAND IMMERSION BLENDER

- Designed for versatile kitchen tasks, this corded immersion blender features an 8" removable stainless steel blending arm that quickly and efficiently purées soups, smoothies, sauces, dips, and more straight in your pot or bowl.
- The variable speed trigger gives you precision control over texture, allowing you to adjust power from gentle mixing to full-force blending for smooth results tailored to every recipe.
- Included accessories — a whisk attachment for whipping creams or emulsifying dressings, and a BPA-free chopper for herbs, nuts, and cheeses — expand this tool’s utility beyond simple blending tasks.
- A 4-cup BPA-free blending pitcher with lid supports measured prep, serving, and storage, making it easy to transfer and save blended creations without extra containers.
