WASHERS

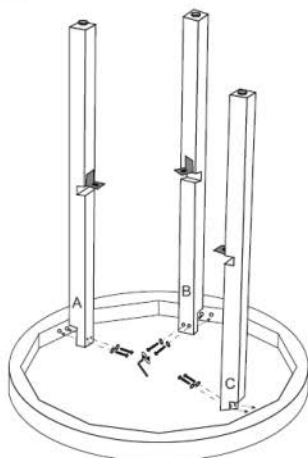

x1

WOOD SHELF

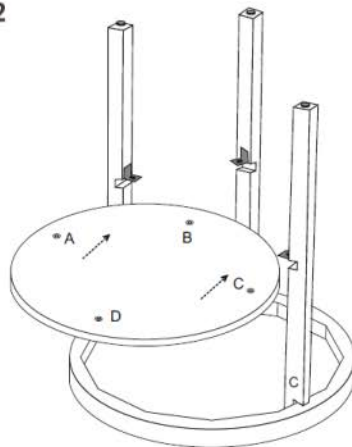

4 PCS WOODEN LEGS

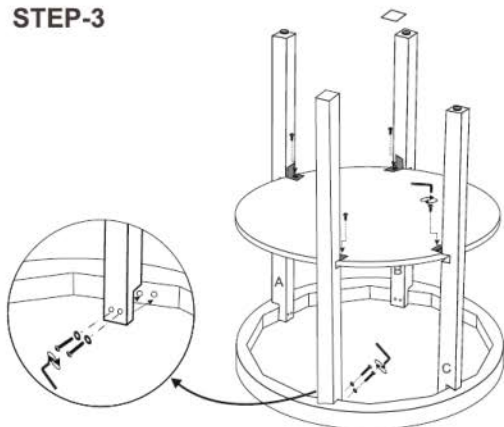

Align 3 legs (A/B/C) as indicated and fix the wood top with help of long Allen screws and washers. Partially tighten the screws to approx 50%.

STEP-2

Insert the wood shelf as shown.

STEP-3

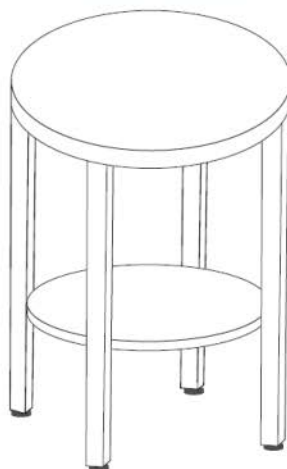

Fix the fourth leg (D) to the wood shelf.

Secure the connection with wood top with help long Allen screws and washers (same as done in step 1).

Now secure the wood shelf with 4 legs, with help of small Allen screws (no washer required). Ensure all screws are fully tightened.

ASSEMBLED

Flip the table and adjust the Levelers if needed to balance on floor.
