

Enjoy a mini-staycation every time you enter your backyard with the 3 piece chat set by the Peyton collection from Mōd. You'll feel like you're poolside in a cabana, regardless of your actual location, when you relax into the armless sling chaise lounge chairs. These adjustable chairs accommodate a variety of comfortable positions ranging from laying completely flat to sitting upright. Their lightweight weather-resistant aluminum frames and convenient back wheels allow you to move and reposition the chairs with ease, whether you're moving them to find the perfect patch of sun or closer to the pool you may or may not be only pretending to have. As day turns to evening, slide your chairs around the 40,000 BTU column fire pit where getting a fire going is as simple as a push of a button. The compact and clean gas fire pit features push-button ignition and flame control, while its fuel tank is neatly concealed within the durable powder-coated steel frame, and accessible through a convenient access door. Created with all-weather materials, this will be your backyard slice of paradise for years to come.
