## AMAZING GOOP® and FAMOWOOD®

### Nail Hole Filler

#### PRODUCT DESCRIPTION

AMAZING GOOP® and FAMOWOOD® Nail Hole Filler requires no mixing and goes on with a simple squeeze of the tube – without a putty knife. The sponge-tip applicator evens out and finishes the surface, whether textured or smooth – no scraping or sanding required. With a quick squeeze, it fills cracks, holes and nail heads, then use the applicator to rub the patch to a clean, smooth surface that's dry and ready to paint in 12 to 15 minutes. Developed for long shelf life, it won't dry out in the tube and never shrinks or discolors paint or wallpaper.
