

Indoor/Outdoor Carpet - One Year Limited Warranty

The following is the One Year Limited Warranty issued by Shaw Industries, Inc ("Shaw") for Indoor/Outdoor carpet.

This warranty begins when the carpeting is purchased. **The carpet must be installed in accordance with Shaw Industries installation guidelines and specifications.** The carpet must be maintained in accordance with Shaw Industries maintenance (carpet care) recommendations and such maintenance (carpet care) continues throughout the duration of the original installation.

The One Year Warranty is further limited to the period of time the carpet is owned and maintained by the original end-use purchaser. The basis of any warranty related claim is the original Shaw invoice or authorized Shaw dealer invoice. Damage resulting from the failure to follow these instructions will not be covered under this warranty.

Installation guidelines and specifications along with carpet care recommendations can be obtained from your dealer or from Philadelphia/ Queen Commercial at 1-800-441-7429.

What the one year limited warranty covers:

Fiber – Fiber Degradation - Philly Queen Commercial warrants that this Indoor/Outdoor carpet, when installed and maintained as recommended by Shaw Industries for proper indoor/outdoor use, will not display ultraviolet (UV) degradation, resulting in fiber deterioration or loss.

(Failure shall mean that the weight of the yarn shall have decreased a minimum of 25 % for tufted products or 40 % for needlebond product. This will be from the weight of the original weight at the time the products were manufactured as a result of ultraviolet degradation, as tested per ASTM D 5848).

Actual degradation will cause a deterioration of the yarn and loss of pile as a result. Failure does not include a decrease in pile height of the face yarn from the original pile height as a result of surface compression due to normal wear.

Backing - Tuft Bind - Philly Queen Commercial warrants that our Indoor/Outdoor carpet, when installed and maintained as recommended by Shaw Industries, under normal use, will provide tuft bind performance expectations consistent with this type backing.

Backing - Integrity/Delamination - Philly Queen Commercial warrants that our Indoor/Outdoor carpet, when installed and maintained as recommended by Shaw Industries, under normal use, will not delaminate from the face carpet. Note: The construction, fiber and backing system used in this product is designed and engineered for general indoor/outdoor conditions and use **unless otherwise specified.**

What you should do if any of the above problems occur and you need warranty service:

You (the original purchaser) should notify the authorized Shaw Dealer and/or your Philly Queen Commercial representative and submit in writing, the following:

- A valid proof of purchase in the form of a sales receipt or other documents which establish proof of purchase.
- A detailed description of the problem and/or a photograph/sample that clearly shows the warranty problem.

What Shaw Industries will do should you need warranty service:

Should a defect covered under this warranty be found, the affected area will be repaired to conform to the warranty. If repair is not commercially practical, Shaw may, at its sole option, replace the affected carpet or refund the proportional purchase price for the affected area.

Shaw will pay the reasonable costs for freight and labor. Any costs incurred for the moving of equipment, furnishings, partitions and the like, that were installed over the Shaw commercial product will be at the consumer's expense.

What conditions apply to Shaw Industries one year limited Warranty:
