## Care and Cleaning Obligations

To maintain your warranty coverage you must do the following:

- If the problem still remains after professional cleaning, contact the Lowe's Resource Line for STAINMASTER® carpet **within 30 days of the professional cleaning.**
- **To qualify for coverage under all limited warranties outlined in this warranty brochure, you must have had hot water extraction cleaning performed by a trained, qualified carpet care professional, at least as frequently as every 18 months since the date of purchase of your carpet. Failing to do so will void your warranty coverage.**

## Filing a Claim

If you have a problem with your carpet and believe it is covered by one or more of the limited warranties outlined in this warranty brochure, you must file a claim by contacting the Lowe's Resource Line for STAINMASTER® carpet. When you call, you will be asked to provide the following:

- An explanation of the issue, what caused the problem, where the carpet is installed and areas affected, and a description of what the carpet looks like now
- When and where the carpet was purchased, including the retailer's telephone number
- The carpet style name and style number
- Square yards purchased
- Date(s) and proof of professional cleaning(s)<sup>(1)</sup>

**If the problem is determined to be covered by one of the limited warranties, you will be asked to provide the original sales receipt or other documentation acceptable to INVISTA which shows proof of purchase and installation of a STAINMASTER® carpet and of carpet cushion which meets the requirements noted under the Texture Retention Limited Warranty.** The documentation must include the STAINMASTER® carpet name and style information.

**You must also provide INVISTA with all related professional cleaning receipts (showing service dates), if required.** Please note that INVISTA will not reimburse you for your costs of professional cleaning.

We may also request a small piece (6"x6") remnant of carpet and cushion.

## General Terms and Conditions

- Only first quality carpet (not seconds or irregulars) which meets INVISTA's construction and performance specifications can earn the name STAINMASTER® carpet and be covered under these limited warranties.
- These limited warranties apply to all STAINMASTER® carpet products purchased on or after **December 1, 2013**, and installed in the owner-occupied space in an owner-occupied residence. Timeshare dwellings, motorhomes (RVs), and houseboats are specifically excluded. If the carpet is removed from the home or office, these limited warranties will be deemed null and void.
- Warranties will be extended to the longer period stated if STAINMASTER® carpet cushion is purchased and installed at the same time as the STAINMASTER® carpet. See the chart on pages 1 & 2 for details.
- **All warranty coverage is transferable to subsequent owner-occupiers only in owner-occupied residences.** The original homeowner must contact Lowe's Resource Line for STAINMASTER® carpet to provide original receipts documenting the carpet purchase and proof that the carpet has been maintained every 18 months, using the hot water extraction cleaning method, since the original carpet purchase date. This documentation must be provided within sixty (60) days of the home sale. INVISTA will then provide the new homeowner with a written authorization transferring the warranty coverage.
- These limited warranties also exclude abnormal use or conditions, any type of abuse, vandalism, extreme pet conditions, or damage by smoke, fire, storm, flood, hurricane, wind, lightning, any other natural disaster, or any act of God. "Commercial use" includes, but is not limited to: use in a store, office or other place of business. "Abnormal use or conditions" includes, but is not limited to: water damage from plumbing, storm or flood, damage from smoke or fire, damage from improper cleaning methods or materials, and from improper maintenance. These warranties do not cover problems caused by wetting or persistence of excessive moisture. "Abuse" is any use of the carpet that is unreasonable considering the normal and expected uses of a carpet in a residence.
- These limited warranties exclude damage resulting in tears, pulls, cuts pilling, shredding, burns, fuzzing, matting, crushing, shading, fading, pile reversal. Improper installation or defective construction are also excluded. Damage caused by pets such as lingering odors, color change caused by pet vomit or feces, carpet loop or tuft snags and pulls or damage from extreme moisture are excluded.
- If INVISTA determines that your claim is covered under one or more of the limited warranties, INVISTA will, at its sole option, determine to repair the affected area of your carpet, or, if repair cannot reasonably be made, will determine to replace the affected area of carpet.
- **Cash refunds will not be offered.**

- **Replacement of Wall-to-Wall Carpet:**

For all brands of wall-to-wall STAINMASTER® carpet, any repair or replacement under these limited warranties will be made by INVISTA and will be limited to the affected area of the carpet. Bound rugs are not covered. If replacement is necessary, the limited warranty covers the removal and disposal of the original carpet and the cost and installation of the comparable replacement carpet. Any other labor charges, costs for moving furniture, equipment or baseboards, costs associated with new carpet cushion, or other charges are your responsibility and will not be paid by INVISTA.

- If INVISTA replaces your STAINMASTER® carpet under any of these limited warranties, the remaining portion of the Warranty Period will be based on your original purchase date.
- If the identical carpet is not available, a STAINMASTER® carpet of comparable quality, color and value will be provided. Comparability in carpet specifications is determined by INVISTA.
- Labor costs are defined as removal and disposal of your original STAINMASTER® carpet and installation of the replacement carpet.
- You must reasonably cooperate with INVISTA in its efforts to perform its obligations under these limited warranties.

## Dispute Resolution — Mandatory Arbitration Provision

THIS DISPUTE RESOLUTION PROVISION ONLY APPLIES TO CONSUMERS RESIDING IN THE UNITED STATES WHO PURCHASE STAINMASTER® CARPET. IT IS IMPORTANT THAT YOU READ THIS ENTIRE SECTION CAREFULLY. THIS SECTION PROVIDES FOR RESOLUTION OF DISPUTES THROUGH FINAL AND BINDING ARBITRATION OF INDIVIDUAL CASES BEFORE A NEUTRAL ARBITRATOR INSTEAD OF IN A COURT BY A JUDGE OR JURY OR THROUGH A CLASS ACTION.

**Binding Arbitration Of All Claims.** The arbitration process established by this section is governed by the Federal Arbitration Act ("FAA"), 9 U.S.C. §§ 1-16. All disputes arising out of or related to this Warranty (whether based in contract, tort, statute, fraud, misrepresentation or any other legal or equitable theory) (a "Claim") shall be resolved by final and binding arbitration of individual claims only in accordance with this arbitration provision.

**Only Individual Claims Permitted.** NO DISPUTE BROUGHT BY EITHER YOU OR INVISTA MAY BE JOINED WITH ANOTHER LAWSUIT OR IN ARBITRATION WITH A DISPUTE OF ANY OTHER PERSON, OR BE PURSUED OR RESOLVED ON A CLASS-WIDE BASIS.

## Lifetime Stain Resistance Limited Warranty (pet urine; food & beverage)

For the Warranty Period stated the surface pile of your STAINMASTER® carpet will resist food and beverage or pet urine stains (caused by domestic cats and dogs) that occur during normal residential use ("covered stains") subject to your compliance with the carpet care and cleaning obligations (including professional cleaning shown on page 3), INVISTA will, at our sole option, repair the affected area of your carpet containing the covered stain. If a repair cannot reasonably be made, we will replace the affected area of your carpet.

**No carpet is fully stain proof.** Therefore, INVISTA does not extend warranty coverage to any of the substances or causes of damage identified below ("non-covered stains"). The following are examples of non-covered stains excluded from this limited warranty:

- Non-food and non-beverage stains caused by substances, including, but not limited to, cosmetics, bleaches, inks, vomit, blood or feces, etc. (See lifetime pet vomit and feces limited warranty section).
- Stains caused by substances that destroy or change the color of the carpet, including, for example, but not limited to, stains caused by dyes (such as clothing or food coloring), bleaches, acne medications, drain cleaners and plant food.
- Color changes due to fading.
- These warranties do not cover the reappearance of previously cleaned stains ("wicking"). Stains that are saturated and result in "wicking" will release with additional re-cleaning.

## Pet Vomit & Feces Lifetime Limited Warranty for PetProtect™ carpet styles

INVISTA warrants that with proper care and maintenance (including professional cleaning) your STAINMASTER® PetProtect™ carpet will not be permanently stained from exposure to pet vomit and feces from domestic cats and dogs only. This warranty coverage applies to indoor carpet installations only.

- If INVISTA determines that your carpet is stained, INVISTA will, at our sole option, repair or replace the affected area of your carpet and will handle such claims per the Terms and Conditions.

## Lifetime Soil Resistance Limited Warranty

Over time any carpet may change color due to the accumulation of dry soil from foot traffic. INVISTA warrants that for the stated Warranty Period, subject to your compliance with the recommended carpet care and cleaning procedures, your carpet will not have a "noticeable color change" due to deposits of dry soil as a result of foot traffic from normal, indoor household use.

- If, after following the recommended carpet care

and cleaning procedures (including professional cleaning shown on page 3) INVISTA determines that the noticeable color change is covered under this limited warranty, INVISTA will, at its option, repair the affected area of your carpet. If repair cannot reasonably be made, we will replace the affected area of your carpet.

Excluded from this limited warranty are color changes from grease, mud, asphalt, tar, paints, ink, rust, blood, cement, materials that permanently destroy dyes or alter colors (such as bleaches, acne medications, drain cleaners and plant food), urine, feces, vomit, appearance or color changes due to burns, pets, tears, cuts, pulls, shading or pile reversal, fading, furniture depressions or athletic equipment.

## Lifetime Anti-Static Limited Warranty

For the expected life of your carpet, it will not generate static greater than 5.0 kilovolts (using AATCC<sup>(2)</sup> Test Method 134). If INVISTA determines that your carpet does not meet this anti-static limited warranty, INVISTA will repair your carpet. If a repair cannot be reasonably made, INVISTA will replace the affected area.

## Texture Retention Limited Warranty

During the applicable Warranty Period, the surface pile of your carpet when installed over carpet cushion meeting the standards described below will not, under normal residential use, show a significant loss of carpet pile texture from the carpet tufts bursting, blooming, opening or losing their twist.

- Texture retention is defined as the ability of carpet tufts to retain their visible shape and not burst, bloom, open or lose their twist, and is measured by using an international standardized rating scale.<sup>(3)</sup>
- This warranty is limited to loss of texture from foot traffic, resulting in tufts bursting, blooming, opening or losing their twist which cannot be corrected.
- If INVISTA determines that your carpet's texture rating is below the minimum standards for the reasons described above, INVISTA will, at its sole option, repair or replace the affected area of the carpet.
- In the U.S. carpet, must be installed over cushion which meets the HUD UM 72a, Class 1 standards. This certification sets minimum standards for carpet cushion for density (lbs./ft<sup>3</sup>), thickness (in.), weight (oz./sq.yd.), and other physical characteristics which determine performance.
- In Canada, carpet must be installed over cushion which meets all the minimum parameters as per CGSB<sup>(4)</sup> Standard 20-GP-23M entitled "Standard for: Cushion, Carpet, Flexible Polymeric Material." This standard sets minimum standards for carpet cushion padding for density (kg/m<sup>3</sup>), thickness (mm), and other physical characteristics which determine performance.

This limited warranty specifically excludes damage from pets or such things as tears, pulls, cuts, pilling, burns,

furniture casters, athletic equipment, vacuum marks or heavy wheeled devices. Changes in appearance caused by matting, crushing, soiling, shading or pile reversal, cornrowing, fading, or furniture depressions are also specifically excluded.

## Abrasive Wear Limited Warranty

During the applicable Warranty Period, your carpet will not incur Fiber Loss from Abrasive Wear (as hereinafter defined) by more than 10% in any area. "Fiber Loss from Abrasive Wear" is defined as actual loss of fiber, due to abrasion, from the surface pile of the carpet. If INVISTA determines that your carpet has incurred Fiber Loss from Abrasive Wear, INVISTA will, at its option, repair or replace the affected areas of your carpet.

## Fade Resistance Limited Warranty for STAINMASTER® PetProtect™ carpet styles only

INVISTA warrants that with proper care and maintenance, your STAINMASTER® PetProtect™ carpet will not fade from exposure to sunlight or atmospheric contaminants (ozone or oxides of nitrogen).

This warranty coverage applies to indoor carpet installations only.

- If INVISTA determines that the noticeable color change due to sunlight or atmospheric contaminants exceeds the AATCC<sup>(2)</sup> Gray Scale criterion, INVISTA will, at our sole option, repair or replace the affected area of your carpet per the Terms and Conditions.

The following are some examples of exclusions from this limited fade resistance warranty:

- Changes in carpet color due to air purifiers, photocopiers or other electronic equipment that emit significant amounts of ozone.
- Changes in carpet color resulting from external causes, such as spills of household chemicals, improper cleaning and other non-food and non-beverage substances.
- Gradual fading over time from pesticides, cleaning agents, benzoyl peroxide and other household items.
- Noticeable color change due to accumulation of dry soil as a result of foot traffic from normal, indoor household use.
